MEMORANDUM FROM THE ADMINISTRATOR

SUBJECT: Report to Congress: Competition in the Award of Subcontracts by Federal Prime Contractors in FY 1982

We were required by Section 17 of Public Law 98-191, "The Office of Federal Procurement Policy Act Amendments of 1983" (41 U.S.C. 415), to study the available data on subcontract competition under Federal prime contracts and submit a report to Congress by April 15, 1984.

The subcontract data provided by the executive agencies were analyzed and recommendations were formulated for the improvement of competition in subcontracts. I have enclosed, for your information, a copy of our report, "Competition in the Award of Subcontracts by Federal Prime Contractors in FY 1982." which was formally provided to the Congress on April 15, 1984.
